This hospital is participating in the CHILDREN'S ACUTE SURGICAL ABDOMEN PROGRAMME

This is a national clinical study taking place in all hospitals in the U.K. which carry out emergency abdominal surgery in children.

CASAP will be collecting information about the medical care you receive whilst you are in hospital having your operation.

If you would like further information about what this means please ask a member of staff or visit our study website: https://www.niaa-hsrc.org.uk/CASAP-Home

You can also contact us directly by email: CASAP@rcoa.ac.uk

We hope that this study will help us improve the care we deliver.

THANK YOU FOR HELPING US!
